

RONALD A. STROMAN
DEPUTY POSTMASTER GENERAL
AND CHIEF GOVERNMENT RELATIONS OFFICER

September 23, 2016

Mr. Ed Packard
Director of Elections
Office of the Alabama Secretary of State
Post Office Box 5616
Montgomery, AL 36103-5616

Dear Director Packard:

With the general election fast approaching, I wanted to remind you that our Political and Election Mail Coordinators are your principal points of contact during the election season. Our Coordinators will resolve issues that arise during the election cycle and suggest the best mailing practices to ensure timely and secure delivery of absentee and vote-by-mail ballots. To find the names and contact information for the Political and Election Mail Coordinators within your state, please go to <about.usps.com/gov-services/election-mail/> and use the coordinator locator tool. We also recommend that you urge voters to mail back their ballots one week prior to Election Day in order to ensure the ballots' timely delivery.

In addition, we have developed the enclosed summary of reminders, recommendations and resources. We hope you will find the information on the following pages helpful as you prepare and distribute your Official Election Mail materials to voters in the November election.

Working closely together, we can achieve a successful general election season in 2016.

Sincerely,

A handwritten signature in blue ink that reads "Ronald A. Stroman".

Postal Service General Election Recommendations

Work With Your Local Election and Political Mail Coordinator

- A key to success in 2016 will be local partnerships between Postal Service™ election coordinators and the election community. Election and Political Mail Coordinators are trusted to log and resolve issues locally.
- Contact a Postal Service Election Mail Coordinator <about.usps.com/gov-services/election-mail/> to discuss all aspects of your mailing, including:
 - Mailpiece design.
 - Mailing preparation/entry.
 - Delivery and pickup activities.
- Early communication is very important.
 - Contact your local Election Mail Coordinator as soon as questions or concerns arise.
 - Should your concern regard a specific mailing, please provide front and back PDF copies of the mailpiece as well as physical samples. This will aid the Postal Service's investigation with regard to identifying the cause and providing timely corrective action when necessary.

Use Postal Service Recommended Best Practices

- Reply envelopes should include:
 - Official Election Mail Logo for visibility.
 - Delivery point Intelligent Mail barcode (IMb®).
 - The specific amount of postage needed to return balloting materials by mail, as required under current mailing standards, unless subject to the following exceptions:
 - The balloting materials are qualified under the special exemption for military and overseas voting.
 - The ballot is returned under Business Reply Mail service.
 - Return postage is guaranteed through a postage-due account.
 - Postage on the ballot is prepaid by stamps, meter, or Permit Reply Mail.
- Use letter-size reply envelopes.
 - The use of letter-size reply envelopes will increase the operational likelihood that the ballot receives a postmark.
- Use First-Class Mail® postage.
 - Board of Elections should use First-Class Mail postage rather than Standard or Non-Profit postage rates when paying for the delivery of outbound absentee or vote by mail ballots. Most First-Class Mail is delivered within 2–5 days.

- Use Green Tag for 191 domestic and international ballots.
 - The tag identifies trays and sacks that contain ballot mail.
 - The designation provides greater visibility during mailing induction.
 - It can ONLY be applied to ballot mail, such as vote-by-mail Ballot and absentee ballots.

- Review sample mailpieces.
- At the time of mail entry, the Postal Service strongly encourages the mailer to supply an unaddressed copy of all official election mailpieces. However, for official ballots, regardless of class of mail, the mailer must provide a sample mailpiece with its contents, unless an exception is met. See DMM 703.8 at <pe.usps.com/text/dmm300/703.htm#1174014>.
- Properly label postage statements.
 - Check off the "Yes" box next to "This is Official Election Mail."

Encourage Voters to Mail Early

- The Postal Service recommends that voters mail ballots one week before the due date to account for any unforeseen events or weather issues, and to allow for timely receipt and processing by election officials.
- The Postal Service is committed to processing and delivering Official Election mail within our stated delivery standards. Most First-Class Mail deliveries are made within 2–5 days. Standard Mail® deliveries are made within 3–10 days (within the contiguous 48 states).
- Customers should understand their options in receiving a postmark on ballots.
 - Home or Business Mailboxes: Ballots will be postmarked the day the Postal Service mail carrier collects it.
 - Local Post Office™ facility: Take the ballot to a local Post Office facility and confirm with the counter representative that the ballot will be postmarked that day.
 - USPS® Blue Collection Boxes: If the ballot is deposited after the printed collection time on the box, the ballot will not be postmarked until the next day of collection.

Election officials should consider including a voter notification with the above guidelines, as well as state deadlines and requirements, in the ballot material packet to clarify key information.

- Use Tag 191 on all Domestic and International Ballot mailings.

- Obtain an evaluation of the final mailpiece design before printing.
